## **VACANCIES ON THE COMMUNITY DEVELOPMENT ADVISORY COMMITTEE**

There are three vacancies on the Community Development Advisory Committee. The role of the Community Development Advisory Committee (CDAC) is to advise the staff of the Office of Community Development on matters pertaining to policy, program guidelines, case waivers and grievances by program participants.

The CDAD meets on an as needed basis over the course of a CDBG funded program to discuss these issues. Typical issues that are put before the CDAC include changes in housing rehabilitation program guidelines, single case waivers for projects with low bids that exceed the project cap of \$35,000.00 per unit and appeals of staff decisions from applicants/participants. The CDAC should also provide input into future grant making efforts of the Town.

If interested, at the home page of the website, click on Departments. Next, click on Departments A-L. Next, click on Town Manager's Office. Next, under additional links, click on the third line in the middle, Applications for Boards and Committees.

You may also send a letter of interest to the office of the Town Manager, 500 Gliniewicz Way, Abington, MA 02351.

The deadline for application is Thursday, February 21, 2013.

Thank you.
